

# Cross Country Skiing & Snowshoeing

(Downhill Skiing at Stowe Mountain, too.)

**BUS TRIP TO  
STOWE, VERMONT  
FEBRUARY 7-10, 2020**

Stowe is the quintessential New England ski town with some of the most scenic and well groomed trails in the Northeast. We'll ski and snowshoe at **Craftsbury Commons**, **Trapp Family Lodge**, and/or scenic **Mt. Mansfield Touring Center**. Both areas offer trails suitable for beginning to advanced skiers, and the trails are maintained using state-of-the-art grooming equipment.

Downhill skiing at Stowe Mtn. Resort is nearby and accessible via the free Stowe trolley, as are other winter sports such as snowshoeing, snowmobiling and ice skating. The Stowe trolley makes stops at our hotel, downtown Stowe and the Stowe Mountain Downhill Ski area.

Lodging is at the Commodores Inn, which is within walking distance of Stowe Village and the Stowe Recreation Path. Its amenities include Jacuzzis, saunas, an indoor swimming pool and exercise rooms. It has a great dining room, cocktail lounge, and lobby area with a fireplace that makes a perfect setting for after ski get-togethers.
